EDITORIAL by Phil Stevens

Good afternoon football followers.
Having sat through many hours of Investigation hearings so far this season, I am firmly of the opinion that we do, for the success of our competition and the efficient trouble-free running of each club, rely tremendously on the senior officials – namely the President and the Secretary.

As the club is liable to be fined in the case of any on-field or off-field problems outside the rules of the Association the President in particular, must forever be on the alert and ready to deal with any element within the club which or who could bring his club into disrepute.

The Executive has taken a few hard decisions recently to show that it will not in any way allow the good image of the Association to be compromised.

To assist clubs and perhaps provide some examples for Presidents to wave in front of their clubs, I thought it to be of some value to provide some excerpts of recent investigations to show what will **not** be tolerated.

1. Alcohol proved to having been consumed by spectators during a match. Club fined \$500 (case 1). Club fined \$100, bond of \$250 refundable if no other offence in 1992 (case 2).
2. Repeated misconduct after warnings. Club barred from competition until 1993.
3. Players with extremely poor tribunal records. Clubs warned by letter that another offence would lead to player permit to play Amateur football being

withdrawn. Four players have had permits withdrawn this year. Players (2) have been put on a bond which will be refunded should they not offend again during 1992.

4. Hefty suspensions for gross misdemeanors – legal action pending following two recent incidents.
5. Lack of permanent support staff amongst U19 teams – clubs heavily fined and threatened with suspension unless required staff is in place at each ensuing game.

Clearly we are involved in a game which is a wonderful game, made complex by the many rules which are open to individual degrees of interpretation as well as the mere shape of the ball. These factors obviously lead to levels of frustration which rise and fall continually during the course of a day.

What the Amateurs are trying to do is not to promote a "pussey footing" code of football but a game where levels of frustrations are kept under control and not allowed to spill over into spiteful acts which necessitate tribunal hearings and investigations.

I have published in today's **Letter to the Editor** (see elsewhere in today's *Amateur Footballer*) a letter I received during the week which I personally feel vindicates how poorly controlled behaviour and actions can/could lead to potentially explosive situations – something the Amateur image does not want to be associated with.

PREVIEW

Collegians are at home to the in form **Old Haileyburians**. This game will show all whether the **Bloods** are contenders or pretenders. **Collegians** have barely had a hiccup this season and play the **Harry Trott** oval to perfection. Their fire power up forward is renowned in amateur circles but now so is their defence with **Bennett, Laussen, Davidson** and **Hinchen** all playing well. So where can the **Bloods** draw blood today. **Chris McKenzie, Simon Meehan** and **Wes Byrns** must all continue their good form. **Garry Phillips, Glenn Tanner** and **Matt De Mattia** must kick goals and **Billy Baxter, Andrew Walden** and **Josh Hayter** must play close. I won't tip against **Collegians** but I saw **Haileybury** tear **Xavs** apart 2 weeks ago and I was impressed. **Collegians** by 10 pts.

De La Salle venture out to **Marcellin** in a danger game. **De La** snuck in against **St Bernard's** to win by a point but have been unimpressive recently. **Marcellin** have been poor but surely are overdue to put a good one in. **Marcellin** effectively cut **De La** out of the game last round and won a surprise match but **De La** may prove too strong today as they attempt to hold on to their final's position. **Marcellin's** chances will very much depend on **Joe Amad's** possible suspension as he is their prime mover. As **De La** regain their injured players they will improve. **Marcellin** can't win without **Gary Petroff** kicking goals and **Peter Rennie** will be on the job on him today. **De La** by 24 pts.

Old Scotch thrash from their dramatic 1 pt victory over **NOBs** are at home to **Therry**. **Therry** have lacked the forwards capable of kicking a winning score and therefore now find themselves trailing the field. **Scotch** as usual are up and down but have had consistent performers in **Rohan Aujard, Gavin Eagle, Stuart Steele, Andrew Hart, Mark Brady** and **Andrew Smith**. **Therry** have relied on **Paul Matton, Mick Grocock, Mark Grotty** and **Jason Reddick** to carry the load. **Scotch** are no certainties to win today but how could you pick **Therry** after their 93 pt thrashing at the hands of **Collegians**. The **Xaverian** ground where this match will be played is in good condition which will suit **Scotch** and I expect to see them in front by at least 15 pts at the bell.

North Old Boys take on **Ormond** in a vital match for both teams. **Ormond** have had a good year without being devastating, whereas **North** have been poor but are still in with a chance of making the finals. The conditions at the **Alex Gillon** reserve will most likely be heavy which will not work to either teams advantage. There will be two dangerous half forwards on display today, **Luke Boyle** kicked 7 goals 3 weeks ago and seems to bob up everywhere while **Stephen Grace** always makes the most of his opportunities. **Brett Connell** and **Tim Jones** will go tooth and nail in the pivot, while **Andrew Jobling** may be tagged by the

bustling **Tony Cahill**. **Ormond** appear a little steadier at this stage and should win today. **Ormond** by 8 pts.

St Bernard's are at home again to the **Old Xavs** who were ordinary in their last game. **St Bernard's** will be smarting over their 1 pt loss to **De La** and will not give the **Xavs** a look in today. Many more **St Bernard's** players have taken the big step from B to A section than the **Old Xavs**. **Bob Purcell, Paul Capes, Vin Comito** and **Co.** have joined **Wayne Carey, Gavin Keane, Luke Gollant** and **Matt Mulkearns** as good reliable A section footballers. The **Xavs** have good players but they also seem inconsistent. **Doug Bailey, Matt Haneberry** and **Dale Holmes** are often supported by **John Bowen, Richard Green** and **Geoff Clare** but many times they go walkabout. **St Bernard's** will be too strong, too determined and the home ground will prove insurmountable for the **Xavs**. **St Bernard's** by 25 pts.

TODAY'S LETTER TO THE EDITOR

BARRACKING IN FOOTBALL

Barracking is an essential part of any sport and more so in a team game such as Australian Rules. To receive encouragement and acclamation from team-mates and supporters increases morale, makes one feel good, confident and ready to lift one's game to even greater heights.

The *Macquarie* dictionary defines "barrack" as follows:

- (i) support, shout encouragement and approval;
- (ii) to jeer, shout derisively at a player or a team.

I wonder which category fits you, the "reader"? To be honest most of us would admit to being a bit of both. Unfortunately, there is a tendency for the jeering, hooting, derisive and abusive comments to take over and be accepted as the norm. An opposition supporter hardly ever applauds a good piece of play by an opposing player, which is a great pity, in that it often points to the reason for his attendance at football on Saturday and that is to see his side win regardless of any other consideration.

What prompted me to write this article? Well I will tell you!

Recently I watched an Amateur game, where, in two separate instances, two players of the same side were injured and had to leave the field to be taken to hospital to have injuries diagnosed and treated. As each player left the ground, he was subjected to a verbal tirade of abuse from opposing spectators including many reserve players. Obviously the injured players were

distressed, but it made no difference to the barrackers concerned. In truth, they were more concerned that the perpetrators of the deeds were reported by the field umpire and sent from the ground. Results of injuries sustained were firstly a depressed fracture of the cheek bone with surrounding bruising etc and a further visit in a week's time for follow-up X-Rays and secondly four stitches to the corner of the eye where lesion had occurred. In my opinion, both injuries were the result of crude and deliberate actions. It is interesting to note that the perpetrators returned to the play after 15 mins. being sidelined, but the two injured players spent the rest of the afternoon and evening at the hospital.

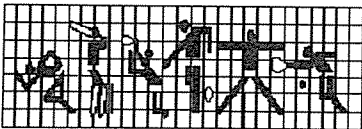

The incidents were not pretty to watch but the aftermath was worse. I have always been of the opinion that any footballer is prepared to accept the risks of injury within the rules of the game and should not have to accept or put up with those caused by thuggery.

Maybe it is time, at least in Amateur ranks, to have a good look at ourselves in respect of barracking, hooting, jeering, derisive and abusive comments which do nothing for the game. They only cause friction and disunity between competing clubs and officials and most certainly players. It is a great pity to see a club finish a game and immediately depart the scene and not partake of the aftergame hospitality for no other reason than as outlined in this article.

TODAY'S GAMES

Old Trinity at home play host to **Old Paradians** in the match of the round. Coach **Alan Johnson** has got **Trinity** playing very good team football after 5 wins in succession **Trinity** have stamped themselves as the measuring stick for all the other sides. **Old Paradians** I like, they are a real team of goers: their commitment is to be admired. **Trinity** beat **Parade** earlier in the season by 33 pts and have improved, **Parade** need to win to keep 4th spot so the ingredients are there for a real first class match. **Trinity** are averaging 20 goals a match in their last 5 wins, **Parade** are averaging 14 per match so here lies the big difference. **Trinity** to win but boy **Parade** will not stop trying to the final siren. **Trinity** by 19 pts.

University Blues vs Old Melburnians should be another good match. **Blues** strengthened by the return of **Lockhead** from **Hawthorn** are capable of upsetting **Old Melburnians**. The strength of **Old Melburnians** lies in the running players delivering the ball to two gun forwards **Teal** and **Cordner** who are both match winners. **Old Melburnians'** centreline is a beauty – **Maskiel**, **Webb** and **Anastakis**; throw in **Witts** and **Nicols** and you can see why **Old Melburnians** are sitting in 3rd spot. The heavy ground conditions will suit the home side but **Old Melburnians** have class players in every line. . . **Old Melburnians** by 11 pts.

Old Mentonians vs Monash Blues should yet be another interesting match. **Old Mentonians** need to keep on winning to give them a slim chance for the finals. **Monash** have now lost 5 in a row but their effort in losing has been commendable. Relegation is staring the **Students** right in the face unless they start winning matches that they could have easily won. **Mentone** have a huge ground advantage but after last match's thrashing by **Old Brighton**, **Mentone** are at the brick wall. Can **Bert Calvert** get them over the wall, I think so, but only just. . . **Old Mentonians** by 9 pts.

Parkside travel to **Old Brighton** in a game the **Red Devils** could do without. **Old Brighton** certainly got their act together last week thrashing **Old Mentonians** in a very good team effort. Let's be honest, my former side are really struggling, but still looking good for their first win of the season. **Parkside** will give their best but it won't be enough at the beach oval. . . **Old Brighton** by 59 pts.

Whitefriars clash with **Banyule** in a do or die effort for both teams, the loser will miss the finals, the winner could easily make the finals. Earlier in the season the **Bears** doubled the **Friars'** score with **Sutterby** displaying his many and often unused talents. Both coaches are very intense, the off-field tactics employed by **John Simpson** and **Geoff Reiley** will be nothing short of spectacular. Both sides were fairly easily beaten last match, so the incentive will be for a big lift in

performance by both teams. **Whitefriars** have several gun players who are capable of winning the match off their own boot. **Banyule** won't have as many gun players but **Simmo** taggers are quite effective. This is a real toss of the coin job. If **Dave Williams** dominates **Banyule** can win but the home ground advantage and the improved form of **John Bonnyman** swings me to the **Friars**. **Whitefriars** BY 5 pts.

SELECTIONS: Old Trinity, Old Melburnians, Old Mentonians, Old Brighton, Whitefriars (all home teams).

BLACK LIST: Old Paradians.

CLUB CORRESPONDENTS: Please fax me (especially the winning sides) a report of approx. 100 words about the game, please fax your club best players, full names and positions by 1.00 pm each Monday. . . Fax: 489 9051; Phone: 489 9511.

REVIEW – ROUND 14 (18 JULY '92)

Northerners decimate **Blacks** and move threateningly into 2nd spot on the ladder. **Bankers** capitulate at the hands of a rampant **Bulleen/Temp. Saints** well and truly stitch-up the **Jackers** to just about make relegation a certainty. The **'Hoes** again score convincingly, this time against the **Towners** and now lay definite claims to a final's spot. And last but by no means least, as predicted in a real close one the **Ks** scramble home by 2 pts against the **Schoolers**.

Fawkner well and truly took **Uni-Blacks** to the cleaners by just on 20 goals in a real team effort job. No joy for the **Students** as they linger at the bottom end with percentage sure to play a big part in who stays and who goes. **Fawkner** moving along very nicely indeed and posing a big headache for the other prospective finalists.

St Kilda/Sth Caulfield swamped **AJAX** by 8+ majors and proved in doing so that they will more than likely help shape the composition of the 4. The **Jackers** just have to dig real deep in the ensuing weeks or hope and pray for divine intervention to escape from the near certainty of relegation.

Bulleen-Temp., with their hold on 4th spot very much in the balance, were pumped up and primed for the **Bankers**. They dealt out a nice old fashioned caning to the ladder leaders by 11 twins to prove the point once and for all that the season is never over till the 'Fat' lady sings.

Ivanhoe just won't lay down and die and leave the 4 as is. Instead they continue their resurgence, this time at the expense of **Thomastown** by nearly 15 goals. They really are firing on all cylinders at present and are just waiting their opportunity to slip into the big 4. If and when it happens, on present form they'll give all the others a bit of 'curry'. The **Towners** whilst 1 game clear of the bottom 2 must win a game in the last 4 to make certain of their 'C' grade spot in '93.

Kew climbed to the top of the table courtesy of their narrow 2 pt win over a determined **MHSOBs** outfit. In what was a close encounter all day the **Ks** came from behind in the last stanza, albeit by 1 pt to get up and snatch victory. A win is a win in anyone's language so I'm sure the brains? trust at **Kew** will be happy to take the 4 pts and run. The **Schoolers** effort was very good and they're sure to trouble all sides they meet in the last month of the season.

PREVIEW – ROUND 15 (25 JULY '92)

Kew vs St Kilda/Sth Caulfield – If the game was to be played down **Murrumbeena** way I'd have a punt on the **Saints** to win. However, this not being the case I'll go for the **Ks** with little confidence to win a close one by a solitary major. The **Saints** have rejuvenated themselves in the past month and are playing pretty positive football. **Kew** will need to be on their guard about them and not take them lightly but I believe they have the players able to shut down the **Saints** forward trusts.

AJAX vs Bulleen/Temp. – Should be a matter of how far on the basis of form. Funny things do happen

in footy though. **AJAX** will most assuredly be desperate but so will the **Bullants** to keep hold of their position in the 4. The combine have a nice blend of strength and speed about them and this will test the **Jackers** to their limits. I'm sure that in front of their parochial crowd the **AJAX** outfit will be in the game for a fair while but on sheer ability the **Bullants** will clear out to win comfortably by 6 big ones.

Fawkner vs Ivanhoe – These 2 in-form sides meet in an encounter that holds enormous consequences for both victor and vanquished. Just look at the ladder to see what I mean. This is the 'crunch' test for the **'Hoes**. Get over it and maybe go all the way, and I do mean 'all' the way. Lose it, and the door to the 4 nigh on slams shut in the face. **Fawkner** have now slipped in overdrive and are going to prove to be the testing material, but the incentive is so great for **Ivanhoe** I'm 'gunna' go for them to salute narrowly by 3 pts.

Commbank vs Uni-Blacks – The **Bankers** having been 'bitten' by the **Bullants** last week should and will this week come out and sting like a 'stone fish', lethal if you don't mind. Both teams coming off what at best could be termed demoralising losses will no doubt throw everything into this tussle. This game is to be played at **HQ (Elsterwick Park)** and will give the **Bankers** a nice little preliminary for the finals. I'm sure they won't waste the opportunity to learn first hand how to properly play the park. **Bankers** easily by 10 twins.

Thomastown vs MHSOB – The **Schoolers** are playing the better football of the 2 teams, however, the stakes in this game are most definitely higher for the **Towners**. **MHSOBs** are safe and secure in 'C' but not so the **Thomastown** lads. To make a good thing of it they need to notch up 1 out of the remaining 4. I'm sure their camp will be viewing this game as the '1' and will lift accordingly to get home victors by 2 goals.

DARE OF THE WEEK – If! **Uni-Blacks** can prove The "Squirrel" man wrong and upset the **Bankers** then he will bring along his own perch to their next training session and sit 'NAKED' in it for the duration. (Rain, Hail or Shine).

"FROSTKICKERS" – (Round 14) Narrow win by the **Bullants** over a 'gutsy' **Commbank. Saints** big winners by 9 over **AJAX**. Levels between an improved **Kew** and a struggling **MHSOBs. Fawkner** jump to the top with a 13 major win over previous top team in **Uni-Blacks**. 2 on the trot for an improved **Thomastown** over a down but not out **Ivanhoe**.

This Week – (Round 15) Can't help myself but put the 'Mockas' on me 'ol mate **JK** by tipping his **Fawkner** outfit to stroll home over an under-manned **Ivanhoe** by a 'Bradman' 120 pts. **Bullants** to make short work of the **Jackers** by 10 majors. The **Towners** in an upset to tip out a teetering **Schoolers** lot by 3 twins. **Saints** to win a hard fought encounter over the **Ks** by 2 goals. I'll do a **'Mike Williamson'** and tip this, yes a real upset job! **Bankers** to play 4 qtrs and roll the shell-shocked **Blacks** by 1 solitary 6 pack.

D SECTION by "Phantom"

(substituting for Peter Lemon until the finals)

Deep in the Skull Cave the Phantom is reading the 12th Phantom's Chronicle, he recalls that during an intense battle in which he was gaining the advantage he heard a tribesman cry out "Oh Ghost who walks, it isn't over till the Fat Lady sings"! As far as the final 4 is concerned the Fat Lady hasn't even loosened her tonsils with 7 teams still in the hunt.

Four in a row for the **Hoes** and their win over the **Wellers** has brought back smiles and about 20 stitches on **Ian 'Hulkster' Wells'** forehead. **Glen Alexander, Brett 'Steroids' Jensen** and **Marty Veal** in defence lead the way for the **Hoes** whilst **Michael 'Yob' Karrayanis** won the packs giving **Mark 'Blinkers' Stewart** up forward, every opportunity to help the **Hoes** to a 21 pt win. In the 'two's' the **Hoes** after 11 straight wins have dropped their past 3, hopefully it is only temporary or **Steve King** will have a seizure. The **Wellers** are really struggling at present and will need to show something soon or face the reality of a new section next season.

The **Rovers** showed a return to form for 3 quarters against **Caulfield Grammar** but failed to hold on in the final quarter kicking just 1 pt. The **Fields** with more commitment in the 2nd half had good players in **Glen Harrison, Trevor Royals, Martin Dicrosta** and **Mark Klose** whilst the **Rovers' Ross Hetherington** in the ruck, **Jamie Ross** - centre and backmen, **McConville, Young** and **Murray-White** kept the pressure on the **Fields'** forwards. The **Rovers** will take heart from their improved showing against the top side and maybe 4 pts isn't far away.

At **Colombia Reserve** the **Noddies** took the points over the **Bedas** in the game of '4 seasons'. **Mazenod** got the jump on their opponents, kicking with the rain and wind managed 4 goals to 2 in the 1st term, but it wasn't long before the **Bangholme Bandits** clawed their way back. At the final change the **Bedas** led by 8 pts and the game then turned into a goal for goal affair, the roll of the dice and bounce of the ball went the home team's way keeping the undefeated home game record intact. The visitors were pleased, with the efforts of **Jason Selby, Bob 'Chupa-chup' Bilos** and **Mick 'Hector the Cat' Hecker**. The 12.00 o'clock flyers turned out to be a benefit for 250th gamer **Jacksy Green**. The **Noddies** ended the **Bedas** winning streak with a thud, playing their oval much better than the visitors. Goalsneak **Green** provided a focal point for the **Noddies** kicking several majors in the ten goal win.

At the **School** oval visitors **Preston** raced to a 7 goals to nil lead early in the 2nd quarter only to watch **St Kevin's** kick the next 15 goals in an incredible turn around. Injuries and players sent off really hurt the **Marist Bros** who had genuine triers in **Andy Philp** and **Paul Daffy**, whilst **Andy Beale** turned on a blinder for the **SKOBs**. Earlier in the day it was a better result for Captain-coach **Sebeh** as the **Preston** reserves had a rounding 10 goal win to keep their finals chances alive.

In a low scoring clash at **Como Park** the home side, although kicking inaccurately, scored by 13 pts. In a match affected by the weather conditions both sides found the majors hard to come by with both teams

kicking 6 each for the day. The **Oggers** are still in the finals hunt with this win, whilst the **Sailors** must win next week at home to help avoid the journey back to 'E Section'.

TODAY'S GAMES

With 4 episodes of 'Home and Away' left in this season the plot well and truly thickens with plenty of 'Heroes and Villains' still to show their whip hand! Seven of the 10 teams can 'make up' the list of nominations come Logies time whilst only 3 current productions are fighting to avoid the dreaded budget cut to join 'E Street'.

Mazenod who tend to struggle away from their normal 'set' will be 'shooting' at **Old Ivanhoe** whose ratings have improved dramatically in recent weeks. **Cecil B. De Salter** will be putting on a grand scale production to keep the '**Hoes** on their toes'. With only one good 'outside' production this season from the **Noddies**, the Phantom rates the **Ivanhoe** stage show slightly ahead of the **Mazenod** musical.

Hampton Rovers host **St Kevin's** in what amounts to an episode of **CLUEDO** with the questions being 1. Who will remain contenders? and 2. Who has more to lose? There will be plenty of 'suspects' but only one villain and although the **Rovers** exposed glimmers of form last show the **SKOBs** have a shot at Broadway and should take their chance.

The crew of Gilligan's Island will be visited by the cast of 'A Country Practice' down south in what could well prove to be the 'Black and White' Minstrel Show. The **Bedas** form has been as up and down as the 'S.S. Minnow' whilst the **Oggers** have shown the audiences consistent showings over recent weeks. In what is a battle of 'D' Section regulars the multi award winning **Como Park** characters might sneak this one and leave Skipper and Gilligan stranded again.

Caulfield Grammarians with another 'Four Corners' production will be trying to expose Rex Hunt's **Williamstown** Fishing World at the Beach Rd Pier. Local knowledge is the key to success here and catching a 'big one' in unknown waters is fraught with danger. The **fishermen** might just cause an upset and catch the **investigators** with their 'nets in the water'.

The **Marist Bros** Cartoon Carnival entertain the 'Clive Robertson's **Camberwell** at **Preston** in another 'Battle of the Bulge'. The **Bros.** stopped like shot last week and may call on the Army reserves pending their visits to the Broadcasting Tribunal which given the form of the 2nd Artillery Division won't be too big an ask. The **Wellers** shows just can't attract audiences at present and will also be looking for some 'stars' to inject some new 'life'. **Preston** have too much to lose and won't let this one slip.

SELECTIONS: Old Ivanhoe, St Kevin's, Old Geelong, Williamstown, Preston MBOB.

EDITOR'S NOTE: An improved effort this week thanks to **Hampton, Old Ivanhoe** joining regulars **Caulfield, Preston** and **St Bedes**. Who will add to the list next week? Ph. No. 542 1901 Fax 542 1225 Monday Morning.

PERSONALITY PARS – D

300 TO FAMOUS SKOBBER

Today (25/7) **Timothy Arnold** plays his **300th** game for St Kevin's Old Boys – a fine achievement and a credit to him. Tim has been an ornament to his club and the VAFA. He has served on the committee, been awarded Best Clubman, played in a premierships side and done all of the other duties associated with keeping an amateur club afloat. OK – enough warmth. Tim is really 'Mouthwash'. Mouth received this title by the then coach, Les Radford, when he commenced his career as a raw, foul-mouthed uncouth 18 y.o. in 1974. Since then nothing has changed except his hair has gone from his head and onto his back (except for a short period when he had his back waxed when in search of that missing yard of pace). As well as playing 300 games Mouth also holds the club record for attending end of season trips. They might say there's no show without Punch but there's certainly no EOST without Mouth – just ask Champagne Cherie. A recent niggling back injury may mean that Mouth doesn't add to his 300 games but those of us who have played with him or against him will remember him as a courageous footballer and a great bloke.

OLD IVANHOE 250

Each member of the triumvirate that has led the resurgence of the OIGs reserves reaches a personal milestone today. **Donald 'Space' Dowell**, captain of the '2's' will lead his side onto Chelsworth Park for his **250th game** today. A ruckman of deft abilities, Space has made up for his lack of height with his courage and judicious use of his strength. His glittering career has included the 87 premierships team and extraordinary performances at club functions, especially his spectacular KO of Mark Dyson while reinvicting his WWF title bouts. Space has a fine Rabelaisian sense of humour and is a lover of other people's cigarettes.

OLD IVANHOE 200

John 'Boofer' Marshall, who today (25/7) plays his **200th** is one of the club's finest and most decorated players with 2 senior B&F runner-ups to his credit Boofer possesses both great marking ability and an inexhaustible vocab. when umpiring standards slip. A true renaissance man, Boofer can be discussing Keynesian economics one minute and serving drinks nude the next.

Ansett Australia.

E STREET by Tom Brain

Great to see the 'Phantom' and 'Squirrel' (how 'bout Room 808) are allowed to add comedy to their routine yet regulars like the Villain and Getta are censored at every opportunity – doesn't sound like freedom of the press to me. [Brevity allows for comedy, verbosity leads to editing due to limited space - Ed] **Doveton** gain psychological advantage with a great win over the **Hunters**, everything else according to plan.

REVIEW

Nth Brunswick certainly bounced back well after their poor performance last week with a big victory over the hapless **Latrobe** whose cause wasn't helped with injuries. At the end the visitors barely had enough fit men to field a cricket side. The **Northies** started a lot better this week, got the early lead and went further ahead as the game progressed to keep their final's chances well and truly alive. **Dean DeMorton** was a fine focal point all day with 11 great goals, **Barry Thorpe** and **Midge DiMarco** both played well again. For **Latrobe** in another pretty dismal day, **Chocky Fredrickson**, **Mario Bakogiannis** and **Dave Sidebottom** fought hard and gave North trouble all day.

Another great start by **Powerhouse** which saw them have 8 goals on the board to 1 at qtr time which left **Bulleen** totally stunned. It was great football considering the rain was pouring down. Once again the **Bulls** were forced to play the old catch-up footy but alas it was in vain as the **House** finished very well in the final stanza. **Billy Dodd** roving had an excellent game and was an easy winner of the b.o.g. award, **Dominic Baxter** worked hard in the ruck all day and **Gerard Scalzo** was a very effective forward. For the **Bulls** **Richard Morley** and **Humphrey** were very strong across the back line under intense pressure and **Ciro** at least gave the Bulls an option across half forward.

A very desperate and determined **Elsternwick** led by the **Fat Controller** with the aid of a slight breeze held sway in the 1st qtr and opened up a handy 3 goal break. **Aquinas**, however, set up the victory in the 2nd term by opening up the game and with some great running football kicked the only 6 gls scored for the term. After that it was goal for goal as the **Wicks** fought so hard to remain in this patch of the Street, but the **Bloods** finished just that little bit better to win a very entertaining game by some 9 pts. Slowly finding momentum the victors were well served by **Hurley** roving, **Livo** at full forward and **Hacking** at half back. Good losers were **Spider** ruck roving who picked up plenty of possessions, **Mick Andrews** up forward kicked a bag and gave plenty away and **Denny Contin** played yet another great game.

The rain came down and so did **Brunswick** with a fantastic opening in which they had no trouble in kicking 10 goals to a solitary single from **ANZ**. At times the **Zedders** tried hard, but the game was a mere formality. For **ANZ** it was a rather insipid way to put almost an end their final's aspirations and they must win all their

remaining games and hope. For the **Wicks** **Dasha Stevens** played a fantastic 100th game (he's my B&F fav), **Robbie Shaw** in the ruck set it all up for him, **Danny Hall** was everywhere and **Blackie** made a pretty good return. For **ANZ**, where good players were very hard to find, little '**Rubber**' **Kringoudis**, '**Swooper**' **Lasslett** and '**Capper**' **Boyle** deserved to feel tired for their efforts.

If anyone had any doubts about **Doveton's** ability they certainly dispelled them all with a convincing 10 gl victory over 2nd placed **Glenhuntly**. In another very disciplined and team-oriented performance the **Doves** took control, kept incredible pressure on the **Hunters**, who had plenty of possessions but continually turned the ball over, did not play well and were not in it. Good side this **Doveton**, perhaps one of their best games and they are reaping the benefits of a few years together. To name the best you could nearly name the entire side but **Dyke** (8), **Burgo** (the Legend lives on), **Al Campbell**, **Mark Ladgrove**, **Fudge Goodwin**, **Muirhead**, **Blewitt** and **Johnno**, in one of his best for a while, were all top performers. From all reports **Johnny Sist** played a great game for **Glenhuntly**, **Sticks Whelan**, although lacking inches, competed very hard against Big T and **Raffers** tried very hard to lead by inspiration.

PREVIEW

And so to this week's games. As we enter the last rites for some of us perhaps a bit easier to select.

Doveton, perhaps only fighting complacency, should prove far too strong for **ANZ** even though the **Zedders** pride will be on the line.

Even on the very large Uni Oval, **Brunswick** will overwhelm **Latrobe**, but they should take the opportunity to use the big ground to their advantage. The finals are currently scheduled for a big ground and I see fitness as the **Wicks's** biggest problem.

Elsternwick, again fighting for survival, tackle **Powerhouse** who also cannot afford to get beaten. They will find the **House** just too strong in the end, watch out for a surprise visit.

An interesting tussle behind the racecourse will see **Glenhuntly** rebound to just defeat the unlucky **Bulleen** but don't be surprised to see a reversal because it's the time of the season where upsets do occur.

With this in mind I'm about to tip one: **Aquinas** are playing very well at the moment and are gradually getting better. **North** have been a bit inconsistent of late and have a couple of report worries and this may just unsettle and go against them. At Ringwood the **Bloods** to win.

150 GAMES TO ZEDDER DEFENDER

All associated with the ANZ Bank AFC today (25/7) congratulate **David Fort** who plays his **150th game** for the club. It should be many more than this as David took a 5 year leave of absence to play in some other competition, but he has returned this year to reach this important milestone, not many before him have reached this mark for ANZ. Always a tear through defender who runs straight at the ball, he has played many fine games for the club culminating in 2 Reserve B&F Runner-Up trophies. Everybody connected with the club congratulate you and look forward to many more games from you.

VALE TIM COLLEY

All Powerhouse mourn the sad loss of **John (Timmy) Collie**. Tim joined the club many years ago and immediately entrenched himself with us either behind the bar or as our timekeeper for both seniors & reserves. Tim was famous for his walks home from Albert Park to Sunshine which made even our fittest members cringe. All who visited Powerhouse will remember Tim as the most persistent of raffle ticket sellers and we will always remember his sergeant-major's bawl of 'Quiet!' when ever silence was required. Although Tim never played for Powerhouse he achieved life membership in 1990 & his love for the club & the people in it was unsurpassed. His absence will leave a hole in all of our hearts.

F-TROOP by "Stand-In"

With 4 rounds to go the final six looks to be settled. A depleted **Old Essendon** has made sure of one thing, that the premiership is not a one horse race as many would believe. At **Bulleen** it was goodnight to **St Andrews** for another year and I cannot believe this side is not contesting the finals especially after watching them destroy **Boronia Park** 8 weeks ago. In the 'Resies' only 4 teams vying for the final two spots. As this is my last column as **Peter Hille** should be returning from Ethiopia I wish all clubs all the best for the rest of the season and as **Ron Smith** would say BeBeBe that's all folks.

REVIEW

Salesians got back in to the winning mood with a thumping 50 pt win over **Richmond Central**.

St Mary's held off **FIT** with a 24 pt win at home to consolidate 2nd spot, on the other hand the **FIT** hierarchy would have to be rapt on the effort of their players.

Uni High hung on to defeat an inaccurate **St John's** to win by 3 pts.

Old Carey put paid to **St Andrew's** chances of playing in this years finals with a hard-slogging 21 pt win at **Bulleen**.

Boronia Pk leading by 25 pts decided to go for a smoko-break with 10 minutes of the game to go, then let **Chirnside Pk** bang on 5 goals to go under again by 6 pts. Has someone killed a black cat out **Boronia** way lately.

Uni Reds who have hit form of late disposed of a hot and cold **W. Brunswick**, who are definitely a tipsters nightmare, by 23 pts.

Match of the day at **Box Hill** did not turn out to be all **St Leo's** way. The only time **St Leo's** looked good was in the 1st quarter with a new ball and a strong breeze, to win by 25 pts. As my **Old E** spy says they're very beatable.

In the last game **Peninsula** continued on their merry way with a strong 38 pt win over **St Pat's**.

PREVIEW

West Brunswick at home will find **St Leo's** too hot to handle and the **Box Hill** boys should win comfortably by 12 goals.

St John's and **St Andrew's** should be a very close game and with home ground advantage **St John's** by 2 goals.

Uni Reds and **St Mary's** will be another close game and I'll stick my neck out and tip **Uni Reds** by 6 pts.

Uni High and **Salesian** at the **Zoo** will be another close contest and with a lot at stake I cannot see **Salesian** dropping this game, so I feel they will win by 4 goals.

Match of the day is at **Bulleen** where I think **Old Carey** with home ground advantage will be too strong for **Peninsula** and will win by 5 goals.

Boronia Park and **Old Essendon** will be another close goame and I feel **Old Es** won't want to drop this one so I'll tip them to win by 6 goals.

Richmond Central would not want to take **FIT** too lightly, especially after last week's performance, but at

home it's hard to go past **Centrals** so I tip them to win by 3 goals.

Chirnside Pk and **St Pat's** out at **Chirnside** will be another close contest and after watching them last week, I tip **Chirnside Pk** to get home by 6 pts.

Again I failed by only one game to tip the card so again I have to be content with a 91% success rate.

G NORTH

Leaders **Bulleen-Templestowe** joined A and B Section clubs with a day off as their opponents **Williamstown** forfeited to them. Despite inaccurate kicking **St Bernards** were too strong for **Marcellin** and won their match by 10 points. **North Old Boys** joined **Marcellin** on points as a consequence of their 6 point victory over an inaccurate **Old Scotch** who had more of the play in their forward line. **Eltham** had a percentage building victory by 54 points over **Banyule**. This victory virtually assures **Eltham** will play in the First Semi Final. **Kew** returned to the winning list with a 98 point victory over **Therry** while **Camberwell** remain in the 3 way contest for 4th place as a result of their 26 point victory over **Old Westbourne**.

G SOUTH

Old Geelong had a day out at the expense of **Glenhuntly** when by dint of their 67 point victory the **O.G.s** prevented me tipping the card. **Monash Whites** had by far the better of **Old Melburnians** in their game which the **Whites** won by 41 points. **Bloods** did their best to bridge their hiatus with the top 4 sides when they easily defeated **St Kevin's** by 149 points. Leaders **Old Xaverians** received little opposition from **St Kilda/St Caulfield** who troubled the scorers only once as against 42 scores by the 'Crocodiles' who won with a 141 point margin. **Mazenod** made the most of their opportunities as they were able to defeat **Old Haileyburians** by 55 points. Accurate kicking by **Monash Gryphons** enabled them to finish 14 points behind **De La Salle** who had more play in their forward line. **Collegians** had the Bye.

PREVIEW OF ROUND 15

G NORTH

Kew should finish the season with a victory over **Williamstown** who are to be complimented on their persistence. **Eltham** should be able to defeat the greatly improved **Old Westbourne** who face the long journey to **Research**. Undefeated **Bulleen-Templestowe** should retain their enviable record at the expense of **Old Scotch** who, however, did display improved form last week. In the battle of traditional rivals **North Old Boys** visit **St Bernards** for what to **North** is an elimination final. At home I select **St Bernards** who do have the more impressive 1992 record. **Banyule** and **Therry** each have the chance to finish their season with a victory. Although **Therry** has the more impressive record this season I select **Banyule** who will be favoured by home ground advantage. Out east is another elimination final as the winner of the **Marcellin** and **Camberwell** match (on my selections) is assured of finishing in 4th place. **Camberwell** has the home ground advantage whereas **Marcellin** has the better

performed line with **Treganowan** the focal point. On the other hand the **Camberwell** defence has proven the stronger this season. Although each side can lay claim to victory I favour **Marcellin** simply because forwards win matches and those from **Marcellin** have the score on the board.

G SOUTH

Bloods should keep their finals aspirations alive until all results are known because I select them to win over **Old Geelong** even on **Como Park**. **St Kevin's** and **Glenhuntly** should provide an even contest from which I favour **Glenhuntly** to just emerge with victory. **Old Melburnians** should be able to finish their season with victory over **St Kilda/South Caulfield** who have lacked the personnel to be a force during 1992. **Monash Gryphons** should be able to end their season with victory over **Collegians**. The **Gryphons** started well, then struggled as Semester 1 exams took precedence and have now bounced back to form. On the other hand I believe **Collegians** after looking like finalists early in July, faltered, and had the bye. I don't therefore believe they will be at their top mentally and physically today. **De La Salle** should insure their finals appearance with victory over **Old Haileybury** whereas at **Mulgrave**, **Mazenod** must defeat **Old Xaverians** to be sure of playing in next week's finals. Both sides appear evenly matched up forward although the **Xaverian** defence has proven the stronger. I select **Old Xaverians** to win despite their necessity to travel further than normal. My reasons are: their stronger forwards led by **M. Dalton** and **King** and their greater depth of experience. **Monash Whites** have the Bye to plan for next week's semi final.

MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.

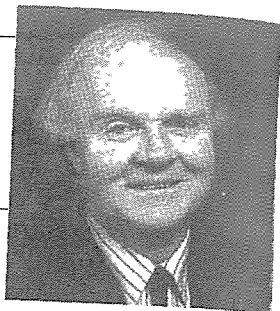

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches and club officials.**

NB: *Eleven Old Carey U19 players have just received their \$20 rebate. Do you have any U19 players who qualify?*

REVIEW OF LAST WEEK'S MATCHES

No need to spend a lot of time on the two very one-sided games played last week at **HQ. De La's** easy win over **Haileybury** brought welcome smiles back to the faces of the coach and 'Runner' after their previous week's thrashing. The only highlight of an otherwise routine performance was the 4 goals kicked by half back **Taylor** in **D's** 13 goal blitz in the last term. Other good players were **Clancy, Conroy** and **Mastroianni**. **St Bedes** slaughtered **Oaks** who, to their credit, kept trying to keep the ball moving and only their skill levels prevented them from getting closer. **Pat Kinder** kicked 8 for **Bedas** whilst consistent stalwarts **Matt McGraw** and **Simon Flannery** were their best performers.

PREVIEW OF TODAY'S GAMES

DIVISION 1

Marcellin are at home to **Collegians** and should be untroubled to get the 4 points and keep **Scott's** dream of a spot in the finals alive. **Mentone** and **OMs** meet in another replay of last year's Grand Final with the result again being a decisive win for **OMs**. (I'm not scared of 'Mrs Coach' after all!). **Nodders** are at home to **Bernies** who have fallen right away and, after last round's forfeit, it's hard to see them pressing the 2nd placed **Nodders**. **Monds** are a pretty inconsistent unit this year but, despite the fact that their best efforts have been saved for their home ground appearances, I can't see them rolling **Xavs**.

SELECTIONS: **Marcellin, O. Melb, Mazenod, O. Xavs.**

DIVISION 2 CENTRAL

OTs put in their worst effort of the year last round whilst **Blacks** should be back to full strength with the **Uni** break finished. However, I expect **OTs** to also be back to strength and get home comfortably today. **Blues** should also be back on the winning list at the improving **Bullants'** expense whilst **Trinity** should be too good for **Kew**. A couple of weeks ago I would have expected **Hoes** to easily account for the **Friars** but last round's form changed that view. I expect **Hoes** can win because of the incentive to cling to 4th spot. **Old Carey** and **Old C'well** should be a really top game. **Wells** are safely placed 2 games clear of the field whilst **Carey** must win to stay in the fight for the 4. Both teams had good wins last round and whilst I have a hunch that the home team will get there today, I'm not brave enough to go against the **'Wells'** consistency. **'Wells'** by a kick.

SELECTIONS: **O. Trinity, Uni Blues, Ivanhoe, Therry, Old C'Well.**

DIVISION 2 SOUTH

St Bedes will be untroubled to beat **De La** whilst **High** will beat the **Fields** but they won't want to underestimate the reigning 'slab' winners. **Rovers'** form last round was shocking but I expect **Red** to get his boys to improve enough to roll the **Oaks** today and keep their

finals hopes alive. **Ashers** should be back in the winners' circle after an absence of a few weeks when they face **Old Hoes** today. The last time **Scotchies** played **Tonnars** I thought both teams played the best football I'd seen this season with **Scotchies** just getting home. **Scotchies** have to win today to keep their slim hopes of the finals alive and I believe that incentive plus home ground advantage may be enough to upset the **Tonnars**. The game of the round is between the top two - **Jackers** and **Parkers**. The wheels have slightly wobbled on the **Parkers'** machine whilst **Jackers'** recent form has been excellent. I think the **Jackers** can continue the slide for **Parkers** and so move into top spot on the ladder.

SELECTIONS: **St Bedes, AJAX, O. Scotch, Monash, MHSOB, Hampton Rovers.**

Winning clubs (this includes you **Jackers**) phone details to me on 568 4727 (w/ends) or fax 646 0872 (Mondays).

SLAB CHALLENGE

The purse has had a week to recover after the 3 previous losses to **Monds, High** and **Fields** so here we go again. I'm sure **Craig's** boys at **Carey** would be delighted to down my 24 'greenies' if they roll the **'Wells'** today.

CHARACTERISTICS OF MENTALLY TOUGH COMPETITORS

Extracted from the book "Mental Toughness Training for Sports;
Achieving Athletic Excellence", by James E. Loehr.

SELF MOTIVATED & SELF DIRECTED

He doesn't need to be pushed, shoved, or forced from the outside. His direction comes from within. He's involved because he wants to be, because it's his thing, not somebody else's.

POSITIVE BUT REALISTIC

He's not a complainer, a criticiser, or a faultfinder. He's a builder, not a destroyer. His trademark is a blend of realism and optimism. His eye is always fixed on success, on what can happen, and on what is possible - not on their opposites.

IN CONTROL OF HIS EMOTIONS

Every player or competitor understands all too well the unfortunate performance consequences of poor emotional control. Bad refereeing, stupid mistakes, obnoxious opponents, poor playing conditions, etc, represent powerful triggers of negative emotion. Anger, frustration and fear must be controlled, or they most certainly will control you. The tough competitor has tamed the lion inside.

CALM & RELAXED UNDER FIRE

He doesn't avoid pressure, he's challenged by it. He's at his best when the pressure is on and the odds are against him. Being put to the test is not a threat. It's another opportunity to explore the outer limits of his potential.

HIGH ENERGETIC & READY FOR ACTION

He is capable of getting himself pumped up and energised for playing his best, no matter how he feels or how bad or meaningless the situation. He is his own igniter and can do so in spite of fatigue, personal problems, or bad luck.

DETERMINED

His sheer force of will to succeed in what he has

started is beyond comprehension for those who do not share the same vision. He is relentless in his pursuit of his goals. Setbacks are taken in stride as he inches his way further forward.

MENTALLY ALERT & FOCUSED

He is capable of long and intensive periods of total concentration. He is capable of tuning in what's important and tuning out what's not, whether there is no pressure or great pressure. In short, he has attentional control.

DOGGEDLY SELF CONFIDENT

He displays a nearly unshatterable sense of confidence and belief in himself and in his ability to perform well. He rarely falls victim to his own or others' self defeating thoughts and ideas. As a consequence, he is not easily intimidated. On the contrary, because of his confident appearance, he often becomes the intimidator.

FULLY RESPONSIBLE

He takes full responsibility for his own actions. There are no excuses. He either did or he didn't. Ultimately, everything begins and ends with him, and he is comfortable with that. He is fully aware that his destiny as an athlete is in his own hands. His future is his own.

The athletes who fit this description best dominate the world of sports. The world's greatest athletes give testimony to the reality of mental toughness everytime they perform. All the great artists of sport have exemplified this special kind of inner strength, a strength that goes well beyond the limits of their natural talent and skill. It is the thin line which separates the few who make it from the thousands who don't. The deciding factor is always the same: your INNER STRENGTH makes the ultimate difference.

PERSONALITY PARS – D

OGS DEFENDER REACHES THE TON

This week (25/7) Old Geelong defender **Peter Clarke** will line up for his **100th game** for the club, with virtually all of those games in the seniors. Clackers first played in 1987, and whilst spending most of his time at full back, does enjoy the odd game up forward. In 1990 he was V. Capt. of the premiership side, and also achieved state Rep. status for the C-F grade team. His contributions both on & off the field were recognised with a best clubman award in 89. Congrats. 'Clackers' from all at OGS & best wishes for the next 100.

MAZENOD LEGEND PLAYS 200TH

Today (25/7) against Old Ivanhoe, **Peter Hall** joins the **200 club**. Hally is without doubt the most inspiration player the club has ever had. His straight ahead approach to the game is legendary along with his tenacity and desire to win – never giving up at any stage. His playing achievement include: Snr Premiership Capt. 88, Capt. 87, V.Capt. 83&86. Snr B&F 86. He has won other trophies and has the great honour of being one of only 2 players to play in all 6 senior premiership sides. Hally is currently an important member of the senior side, providing younger players with great support and is looking forward to premiership No. 7. Everyone connected with the club congrats Peter on this great achievement and thank him for his loyalty, courage & determination in helping make Mazenod the club it is today.

HAMPTON ROVERS 150

All at Hampton Rovers would like to congratulate **Kenneth Ross Hetherington** on reaching **150 games** for the club. Lurch as he is known around the club, first played in 1983 and has since gone on to be our number one ruckman. Ross has also been treasurer of the club and some of his achievements have been Senior B&F 1986, 2nd B&F and Most Improved in 1984. Congratulations Lurch and we all hope there are another 150 games left in those 'hamstrung' legs.

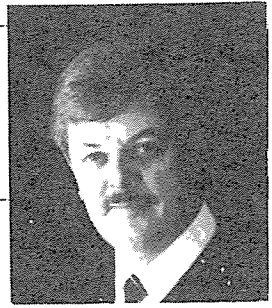

HAMPTON ROVERS 100

Committee and players would like to congratulate **John Rock Hunter** who this week finally plays his **100th game** for the club. John first played with the club in 1977, starting with our U19s and has also been 2nd B&F in our 2nds in 1991. Well don Rock, all the best for the game, hope you can play a few more games for us that's if surfing doesn't get in the way.

OLD IVANHOE 50

Steven 'Schillacci' King, will be coaching the 2nds for his **50th game** today. A classic journeyman coach, Kingy has achieved great results this year with his boundless enthusiasm and some superb inspirational speeches that seem to be a fusion of Alan Jones and Martin Luther King.

Beiersdorf Australia Ltd**MARKETING NEWS
by Mike McArthur-Allen****BEIERSDORF AUSTRALIA LTD**

BEIERSDORF are delighted to be once again the sports medicine company sponsoring the VAFA. It's a big year for us both with your Centenary Year and for Beiersdorf being the official supplier of tapes and bandages to the Australian Olympic team for Barcelona.

Our team of representatives are endeavouring to call on all clubs in order to provide information and samples of our **Leuko** products. If you are yet to see us please phone our Victorian office on (03) 764 8899 and ask to speak with Cathy Kershaw or Bruce Cormack.

Part of our sponsorship and our involvement with the VAFA is a continuing education program, so recently we held a sports education evening. It was very pleasing to see so many trainers and interested people attend. We were very fortunate to have Clive Lipinski - Physiotherapist at Balaclava/St Kilda Physio Centre - speak to us about soft tissue injuries and their management. This was a very informative evening. Anyone who was unable to attend is still able to view our videos - "RICE" and "Strapping for Strength" that we also showed on the night. Our Strapping video shows Chief Physiotherapist for the Australian Olympic Team in Barcelona, Ross Smith, strapping an ankle in two different ways and also strapping a thumb.

On the "New" product line we have just released a new Leuko Cold/Hot Pack that is a new large professional size - 250mm x 605mm. This is a terrific size for "corked" thighs, knees and back injuries and any other large area that needs either hot or cold treatment.

We have also been asked by trainers for a wound dressing that will completely cover an injury and minimise contact with blood. This follows the increased awareness over Hepatitis and Aids, and the ruling from the ASMF that all open cuts must be reported and covered immediately.

CUTIPLAST wound dressings have a non-adherent wound pad that is surrounded by Fixomull. This dressing is complete and easy to apply. It will enclose the injury, it's flexible and suitable for all areas. There are several sizes available, however we suggest Cutiplast item number 1478 is the most suitable for most minor injuries.

If you require further information on any of our Leuko products or Education Videos and material please contact Cathy Kershaw on (03) 764 8899.

Best of luck for the remainder of the season.

ROUND 15

5 YEARS AGO – 1987

Legendary footballer **Bulleen-Templestowe** captain **Andrew Smythe** played his **250th** game. A great clubman, Andy had played for the State, and twice been awarded the distinction of best player on the ground.

University Blues scored the surprise of the season – they defeated **O. Xaverians** by 1 pt and kept their A Section hopes alive. It was tight all day, with **Blues** nearly losing through inaccuracy, 11.15 to 12.8. Best were **Holmes, Angel, Banks** (Uni Blues) and **Dann, Greetham, King** (O. Xavs).

North Old Boys ended their final four chances when they kicked 1.10 in the 3rd qtr and went down 12.16 to **De La Salle OC** 15.15. **Tim Cooke** was a brilliant player for **De La**, **Peter Rennie** was a dangerous forward with 6 gls, and **Deveson** was strong in defence. **Jerome Griffin** was North's best continuing his great season.

Parkside lost top position in B Section when they went down to **Marcellin** 9.7 to 12.14. With 2 rounds to go, **St Bernard's, Parkside** and **Marcellin** were level on 48 pts.

O. Essendon on top in E, were surprised by 6th placed **O. Geelong** who held them to a 58 pt draw. Best were **Richardson, Defegley, Wynspere** (O. Geelong) and **Cramer, McKay, Vaxarlis** (O. Essen).

10 YEARS AGO – 1982

AJAX club secretary **John Brustman** officiated in his 400th game as goal umpire.

39 year-old veteran **Geoff Fletcher** has reached over 300 games with **F.I.T.**

Goal umpires were **J. Goodman, I. Malcolm, R. Bridge, D. Hinchcliff, R. Dunstan, M. Murray, J. Fry, C. Jones, A. Smith** and **J. Vellerman**.

St Kilda CBCOC (in C) inflicted the 2nd defeat for the season over **O. Camberwell**, 16.9 to 12.14. Best were **Thynne, Kellaway, Jones, Fitzroy, Buzza, Hinricks** (5 gls) (St Kilda). **O. Camberwell** must have been very upset as they failed to send in details of goalkickers and best players.

15 YEARS AGO – 1977

North Old Boys suffered their first defeat for the season when **St Bernard's** beat them by a point in a thrilling finish, with a goal being scored from the last kick, an instant before the final siren. Best were **Mitchell, Cahir, Nadielski** (St. B) and **O'Connor, Welch, Sheales** (North OB).

MHSOB saluted their unsung heroes, boundary umpires **Doug Whorlow & Don Pritchard**, who have run 200 and 150 games respectively.

With 3 rounds to go the battle in B Section to avoid relegation was intense with **Geelong** on 24 points followed by **O. Haileybury, St Kilda CBCOC** and **Collegians** on 20 pts.

Don Doods, who started as a goal umpire in 1963,

decided to try out as a field umpire and since 1964 has now umpired over 250 games, including two B Section grand finals.

AJAX, 3rd in C Section, withstood a strong finish by **Fawkner** (1st) to defeat the top team by 13 pts and keep alive their double chance prospects. Best were **Feldpicer, Bluzer, Schulberg** (Ajax) and **Richardson, Ferguson, Ward** (Fawkner).

Caulfield Gr most prolific goalkicker, **John Butcher**, played his 200th game. His great career included interstate selection in '71, '75, '76 and to date, over 600 gls. (John was elected to VAFA Executive in 1976 and served with distinction until retirement in 1981. N.R.)

20 YEARS AGO – 1972

Ormond and **O. Paradians** played an exciting draw after **Parade** had many chances to clinch the game. However, the 2 pts enabled them to move up to 3rd place ahead of **Coburg**.

In a high scoring game **Ivanhoe's** accurate kicking, 23.10 played a big part in the defeat of **O. Trinity**, 17.17, and they rose from 5th to 3rd, knocking **Trinity** out of B Section four. It was disappointing for Trinity who, after 10 games, had been on top with only 2 defeats. **Robinson, Berry** and **Ireland** were best for Ivanhoe.

Geelong (B Section) had every chance to make their position in the four secure by beating **O. Scotch** but poor kicking in the final term (4.11) let them down and they were beaten by 4 pts.

Well known umpire **Ian Marsden** was standing for Doncaster City Council (won the election and later became Mayor – Ed.)

Victoria finished too strongly for **Tasmania** and ran out winners by 32 pts after Tasmania had got within 7 pts of Victoria 10 mins into the last quarter.

Best for Victoria were **Birrell, King, Wade, McCarea, Rojo** and **Duke**.

25 YEARS AGO – 1967

Collegians' inaccuracy 5.18 against **Caulfield Gr** 12.7 cost them a place in the four.

Noel Stokes played his 200th game for **Kew** – Noel had been captain, Club B&F (3 times) and Australian Amateur player (later a VAFA selector).

Six teams were still in the fight for fourth position in A Section.

Commonwealth Bank skipper, **Tony Borrack**, played his 150th senior game.

CARNIVAL RESULTS

Victoria 17.19 defeated **West Aust** 4.10. Best players were **Joiner, W. Roach, Smith, Fisher, Parkes, Mulcahy**.

Umpires Corner

by Mike Murray
and Steve McCarthy

- Apologies to a couple of the **Fathers & Sons** who were missed when a line dropped out of the column a couple of weeks back. They were of course – **Pat & Stephen Moebus, Bill & David Fowler, John & Marcus Horwood, David & Stephen Harford, Ken & Stephen Pitcher.**

- **Congratulations** to our representatives at the **Under 19 Football Championships** At Windy Hill on Wednesday. **Justin Garrett (F), Mark Kalpin (B), and Stephen Pitcher (G)** did us proud.

- Amazing to see that **Chris (OTP) Keeton** is sticking to his **no-can** limit at the moment. We look forward to the drought breaking on **August 1st.**

- We thought that the goalies ensured that a match **started on time** no matter what the conditions. At a recent **Banyule** match the umpires walked on the field **two minutes late** because the goalies said it was too cold. Isn't it a winter sport?

- **Chilly Segota** has definitely found a new career for himself. **Kevin** officiated in his first official appointment as a goal umpire last weekend. Club officials stated that they had never seen a goal umpire **that short** before. Look out **Lentini, Pitcher and Co.** **Chilly's** going knock off your spots.

- Last week's **Trivia night** was a great success and all in attendance had a ball. Maybe the **tournament referee** should have a look at the 'stacking' of intellectuals on the winning table. (Yes there is such a thing as an intellectual umpire).

- After the **Trivia night** a foursome decided to night club into the wee hours. They were last seen standing on a street corner deciding what to do after one of them had a footwear problem. Seems that **joggers** are not the correct attire in King Street. Did he have to **run home?**

- Highlights of last week's mini-meeting with **B, B & B (Bomber, Benny & Belly).** Everyone seemed very concerned with the fact that **Benny** had no voice. Why was **Bomber** holding **Benny's** water. **Clinchy** asking

the **forty-oneth** question. **Wisey's** audible obscenity and deciding that ABC makes up the alphabet.

- A couple of strange occurrences at the recent **Intervarsity** game. **Ball Tearer** was surprised to see a couple of streakers running across the **Uni** ground. After **Laddy** sent a player from the ground, the player decided to let everyone see what he had under his shorts. Sounds like more fun than the normal sort of VAFA game.

- Seen recently in the goals – a goal umpire wearing a **pink and grey jumper** under his coat. Lucky that **Bark's** wasn't in attendance that day **Billy Boy.** We thought that you had learnt to pack the right gear after that wet day at **Marcellin** a few years back.

- This week's milestone. **Geoff (VG) Curran** clocks up his **50th VAFA** game today after joining us from the VFA in 1990. **Geoff's** had a taste of A grade and we wish him well in getting back soon. The **bigger** milestone is for the **bigger** umpire who features in the Umpire Profile this week. **Full Name:** Michael Lentini. **Nickname:** The Leviathan. **Year commenced umpiring:** 1986. **VAFA games:** 150 (today). **Highlights/Achievements:** 1989 A Grade Grand Final. 1988 Bicentennial U19 Carnival and too many finals to list. **Greatest Influence on Career:** My father, John. **Football Playing Career:** The backyard! **Football Pet Hates:** Football officials who don't do their job properly (They know who they are!).

- **Most Memorable Match:** 1989 A Grade Grand Final and any game with a count (Had 3). **Best Amateur Footballers Seen:** **Mike Yandell** – Uni Blues, **Rick Pisarski** – Old Melburnians. **Best Umpires:** Don Hillier and John Horwood. **What I like about Umpiring:** The pressure involved in umpiring. **Personal Ambition:** Another A Grade Grand Final and to be Chief AFL Commissioner. Beware **Ross Oakley!** Have a great day

Mike!

- Don't forget the Association meeting on **Thursday 30th July.** Also get your **Albury Trip** deposits to **Stud** ASAP.

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

Our 1991 survey of players showed 89% of mouthguard owners always wear their mouthguard at matches. But... Only 10-13% always wear their mouthguard at training.

So, wear your professionally fitted mouthguard when training and playing football.

Make this your GOAL in '92.
